

Forty Day Prosperity Prayer Program

A Thought & A Prayer: Prosperity for All

Prolonged recession, natural disasters, and daily life hassles can lead us into worry and anxious moments about our future. We wish to provide true spiritual nourishment for your most pressing concerns. This article is dedicated to raising the personal consciousness of friends and members of Unity Christ Church, our country, and our world. An ancient proverb says to give one a fish and s/he eats for a day; teach one to fish and s/he eats for a lifetime. For dedicated Truth students, our interest is in now and later. We want to handle existing life issues and provide for a lifetime. We are about learning, proving, and standing on Truth principles in season and out of season, no matter what we may see in the outer world.

Any moment in life is an opportunity to demonstrate the good that is always available. Scripture says, “. . . put me to the test, says the Lord of hosts; see if I will not open the windows of heaven for you and pour down for you a overflowing blessing”(Mal 3:10, NRSV). Prove God by affirming this good . . . not to make something true, but to awaken us to the realization that it is already true.

In the middle of challenge, it can be easy to lose focus on Truth principles. Remember that Peter walked on the water until his focus waivered from Jesus, the Christ, to the wind and the storm (Matt 14:30). Because it is so easy for any one of us to lose focus at any time, we offer a tool to direct us to our center (the Christ). It is ***Forty Day Prosperity Prayer Program*** which is an insert in this newsletter. It is also on our website; please invite anyone and everyone to join us at www.unitychristchurchstl.org/40DayProsperityProgram2010.pdf . If you wish to conclude the program on Easter Sunday, please begin on February 24, 2010.

God loves you, and so do I,
Martha

Forty Day Prosperity Prayer Program

Life is consciousness. Our outer world of form and experience is a reflection of our inner world of thoughts and feelings. As within, so without, this is the Law.

To demonstrate abundant prosperity, we must have abundant prosperity established deep in the subconscious level of our mind. This is a 40 Day Prayer Program to help us establish the consciousness for abundant prosperity. We will work with it for forty days because it takes forty days for a truth to be established in the subconscious.

A break during the forty day period releases the energy being built up around the idea. Therefore, there must be committed intention to faithfully follow this prayer program each and every day for forty days-and if we miss even one day, to start over again and continue until we can go the full period with perfect continuity.

Here is the course of action:

Establish a specific day to start the Prosperity Prayer Program. Count out forty days on the calendar and mark the completion date.

On the first day of the program write the follow statement in your spiritual journal:

This day _____ (write the actual date) I acknowledge that my true income is the inflow of Holy Spirit. It is unencumbered, unretarded and undiminished by any mortal factor. This income manifests in a pattern of steady growth in the demonstration of love, faith, spiritual unfoldment and prosperity in my life.

Thoughts of fear and personal judgment are renounced forever and have no influence on my financial strength and soundness. Divine Love supports and supplies without interruption.

Heaven's bounty knocks on my door everyday and I invite it in!

There are ten statements of Truth below. Read and then write one statement each day. Meditate on it for at least 15 minutes, focusing on each idea in the statement with great thoughtfulness and feeling-letting the ideas fill your consciousness. This means that you will go through the entire list four times during the forty day period.

Following each meditation period, write down in your journal the thoughts that came to you.

Be sure to do this daily. This helps make the truth real for you.

During these forty days, make a thoughtful list of the channels of spiritual good in your life. Decide on ways to give a tenth of your time, talent and treasure (money) to the support of these channels.

It has been noted that when we do not give voluntarily to the spiritual experiences of life, we will have to give involuntarily to negative, limited life experiences. But give we must. It is the law of the universe.

The Statements of Truth:

1. I do not depend upon people or conditions for my prosperity. God is the Source of my supply and provides amazing channels of supply to me, now. I am careful not to confuse the channels of my supply (paycheck, investments, etc.) with its true Source, God.
2. The forgiving love of Jesus Christ now sets me free from all financial mistakes of the past and/or present. I face my financial future wise, free and unafraid. I make wise choices in using the money I do have, knowing that as I am a good steward of what I have, I will receive more.
3. My awareness of the Spirit within me as my unlimited Source, is the Divine Power to restore the years the locusts have eaten, to make all things new, to take me up to the High Road of abundant prosperity. This awareness and understanding of Spirit appears as the good my head desires.
4. God is my instant, constant and unlimited source and supply of all the good I need and desire. I am immersed in Divine Substance and this Divine Substance now manifests for me in rich, appropriate form.
5. I have faith in the healing, prospering power of God as it works mightily in me now. I have faith that all things are now working together for my good and I am working with them in the wisdom and power of Spirit. I have faith in the perfect outcome of every situation in my life, for God is in absolute control! My faith now makes me whole!
6. Love transforms and uplifts me now. Love fills my heart with harmony. Love fills my mind with kind, helpful thoughts. Love fills my lips with words of praise and cheer. Love fills my life with abundant prosperity, happiness and peace. Whatever the need or problem, Divine Love is the answer, and I am the perfect expression of Divine Love now. Divine Love now fulfills my every need.
7. I tithe my way to prosperity! I invoke the number of increase by consistent tithing to the channels through which I receive my spiritual help and inspiration. Consistent giving opens the way to consistent receiving and is always the first step to permanent, enduring financial increase. As I tithe, I thrive!
8. Large sums of money, big, happy financial surprises and rich appropriate gifts come to me now, under Grace-in perfect ways, for my personal use and I use it wisely.
9. There is no conflict in God's will of good for his children and there is no conflict in me. I release and let go all opposition, contention, conflict or stiffness in my thoughts, actions and reactions to others and the outer world. Thus, I am upheld and uplifted by the Christ Mind and no lack or limitation can exist in the Christ Mind or in me. Thank you God.
10. "I will watch my thoughts when I am handling my money because my money is attached: through my mind, to the one source of all substance and money. When I think of my money, which is visible, as something directly attached to an invisible source that is giving or withholding according to my thought, I have the key to all prosperity and the reason for lack."

You have completed the first cycle of these ten statements. Now go through the list again (days 11-20) and again (21-30) and again (31-40).
